

**The 30th Annual
Canberra Game Fishing Club**

**YELLOWFIN TUNA
TOURNAMENT**

**Bermagui, NSW
14-16 May 2011**

Can you believe what we have to offer this year!!!! We always have a swag of goodies as giveaways but this is the daddy of them alla fully rigged Haines Hunter complete with Honda engine. Basically every thing you could wish for in a game fishing boat and it can be yours just by entering.

If you have fished it before, you know what a fabulous event it is and I hope you encourage your friends to join in as well. We pride ourselves on running a very professional tournament and also a very friendly one. Last year we had twenty three clubs represented and everyone had a great time both in the marquee and on the water. Of course some had a better time than others, with perhaps more fish and not such a sore head, but then that's part of the fun.

The marquee is of course heated and all activities are centred here. You can come direct from your boat and just relax. The bar will be fully stocked for your pleasure and there will be heaps to eat.

The barbie on Saturday night is free but you must book for the dinner on Sunday night as numbers are strictly limited. We are expecting big numbers so get in early!

Once again, our sponsors have been extremely generous and we have heaps of lucky draws. Remember, you must be present on the Saturday night for all these draws.

Breakfast will be available at the gantry from 5am – 7am. This is being hosted by the Bermagui Marine Rescue and all proceeds go to them so come and enjoy a delicious start to the day and contribute to this worthy group of dedicated people.

I look forward to seeing a lot of familiar faces and hearing those same voices on the radio. Of course new participants are more than welcome and be prepared to have a great time catching up with friends and getting amongst the fish!

See you there.
